## the cake

Lace detailing inspired by Blair's dress decorated each tier of the cake, and a topper of fresh red roses added a romantic touch.

## the ceremony

Blair and Justin wed inside, beneath an outdoorsy huppah of birch branches, greens and red roses.

## the couple

The couple kept their look classic and chic. Blair wore a strapless dress with a sweetheart neckline and floral detailing at the waist, while Justin looked classic in a black tuxedo.

## the centerpieces

For a fun, whimsical look, larkspur, stock, euphoria and lilies were set atop an iron base wrapped in ivy and curly willows.
